Happy New Year!

We hope all are enjoying the New Year. Innovative Animal Products is looking forward to another exciting year of new product releases, NEW CE course offerings, and meeting new people this year.

2012 Course Schedule

Innovative Animal Products, in collaboration with Arthrex Vet Systems, has been offering Orthopedic CE Courses for the past 3 years. Many of those that have taken our courses find them to be practical, and are anxious to let us know that the new technique learned has been beneficial to their practice.

We encourage you to take the time to look over the NEW 2012 Course Schedule, we look forward to seeing you at one of them this year !

NAVC 2012

Eastern Rep, Halliday Donaldson and Lori Melhorn will be working in the Arthrex Vet Systems booth # 2237 at the North America Veterinary Conference in Orlando, FL next week. Make sure you stop by to say hi ! We would love to see you.
